Sir:

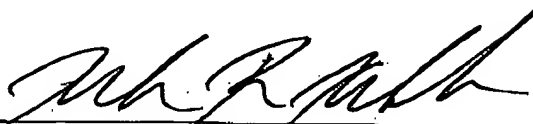

A discrepancy in the Notice of Recordation of Assignment Document for the subject patent has been discovered. The Notice of Recordation of Assignment is incorrect regarding the Frame. We requested an Associate to make a copy of the Assignment Document for the subject patent, and in doing so they discovered that the assignment for Patent No. 5,683,074 was recorded on April 14, 1995 and located at Reel: 007454, Frame: 921-923. The Notice of Recordation of Assignment, however, incorrectly indicates that the assignment was recorded at Reel: 007454, Frame: 0919.

In view of the error noted, it is respectfully requested that a corrected Notice of Recordation of Assignment Document be issued for this patent. Since this error is believed to be an error of the Patent Office, such change should be made at no expense to the applicants. However, if any fee is
